BILLY CORSTON—JAY (III) & THE AMERICANS AUTOGRAPHED BASS GUITAR

Description:

The United States Premier group earning their reputation for guiding music successfully through the transition from Doo Wop-to-Rock & Roll.

Having placed consistently on or near the top of the charts Jay & The Americans holds a place of great prestige in the music industry with an everlasting fan base spanning generations. Now with the third "Jay" they can still be seen live for shows that do not disappoint and still deliver the thrill.
